Cognizance Academy is a Kochi-based chess and skill development academy dedicated to nurturing young minds through professional coaching, tournaments, and structured learning programmes. Since 2019, the academy has been actively promoting chess excellence across Kerala.

Cognizance Cup-8, the All Kerala **Under-19 Chess Tournament**, was successfully conducted by **Cognizance Academy** at **Hotel Mermaid, Vyttila**. The event brought together talented young players from across Kerala for a day of competitive chess and sportsmanship.

A special thanks to

Hotel Mermaid for their excellent support and cooperation, which helped ensure the smooth conduct of the tournament.

Akash S emerged as the champion of Cognizance Cup-8 with an outstanding display of skill, strategy, and consistency.

The tournament once again reflected Cognizance Academy's commitment to promoting chess and providing valuable competitive opportunities for young players.
